

LETTER FROM MAYA

Dear AIANI-Team,

As my exchange semester is coming to an end, I wanted to thank you for your help, guidance, and support throughout this amazing period.

From the very first steps before arrival, and throughout our whole stay in Innsbruck, your support and guidance at AIANI were invaluable.

Your availability and accessibility made the difficult, bureaucratic processes easier and clearer, as we always had the opportunity to consult with you on any matter and come by your office.

Your involvement in creating activities along the semester allowed us to meet new, local friends, and strengthened our relationship with them. It certainly added an authentic, local viewpoint to our (otherwise mostly international) experience.

It has been comforting to know that we have such caring, dedicated people in charge at the AIANI office. Thank you for always being there for us, I am grateful beyond measure for your support!

With much appreciation and gratitude,

Maya
